SCTS Ionescu Scholarship for Non-NTN Doctors in Cardiothoracic Surgery 2017

SCTS Education is pleased to announce scholarships of to be awarded to non-NTN doctors in cardiothoracic surgery to facilitate professional development.

The scholarship can be utilised for further education, training, and development of management, leadership skills, and service improvement. The aim of the scholarship is to enhance and assist the individual, the team they work in, their parent organisation, and the cardiothoracic specialty as a whole.

Eligible applicants include: non-NTN trainees, clinical fellows, specialty doctors, associate specialists, and staff grade doctors working in the broad specialty of cardiothoracic surgery.

Applicants *must* be members of SCTS to be eligible for these scholarships.

To apply for member please use the link below:

<http://scts.org/membership/>

Successful applicants will be expected to submit a report to SCTS Education and will be announced at the SCTS Annual Meeting in Belfast (12-14 March 2017).

Applications should include the following:

- Description of the fellowship / project
- Brief CV
- Costs
- Letter of support from the clinical director / departmental lead
- Confirmation of SCTS membership

Please send the completed application, along with accompanying documents, to education@scts.org, the subject line: "Non-NTN Scholarship Application 2017".

Please ensure all files attached include the applicant's name as part of the title, i.e.: "Non-NTN Scholarship Application – Joe Bloggs".

Closing date for applications is **midnight 28th February 2017**.
