

SCTS Ionescu Nursing & Allied Health Professional Fellowship Award 2017

SCTS Education is delighted to announce fellowships for Nursing & Allied Health Professionals (AHP) in the development of their current role. The award will assist with travel, accommodation and support.

The aim of the award is to broaden and deepen the fellowship experience within or outside the UK. The successful fellows will be working with the similar professionals in the UK or abroad, e.g.:

- Nurses
- Advanced Nurse Practitioners
- Surgical Care Practitioners
- Physician Assistants
- Nurse VAD Practitioners
- Isolated Organ Perfusion Practitioners.

To be eligible, applicants must be a qualified nurse or AHP currently working within the field of cardiothoracic surgery with at least 3 - 5 years experience as a:

- Cardiothoracic Nurse
- Advanced Nurse Practitioner
- Surgical Care Practitioner
- Physician Assistant
- Nurse VAD Practitioner
- Isolated Organ Perfusion Practitioner / ECMO Practitioner
- Other

Applicants must be associate members of SCTS and professionally registered members of NMC / HCPC working within Cardiothoracic Surgery.

Successful applicants will begin the fellowship before 31 December 2017.

Successful applicants will be expected to submit a report to SCTS Education and will be announced at the SCTS Annual Meeting in Belfast (12-14 March 2017).

Please send the completed application to education@scts.org with the subject line "NURSING & AHP FELLOWSHIP APPLICATION".

Applicants must include their current CV along with a proposal detailing how this award will enable the individual to promote and/or develop their Nursing / AHP role.

Closing date for applications is **midnight 28th February 2017**.
